

SCHEDULE A  
CONDOMINIUM TRUST  
RULES AND REGULATIONS:  
COMMON ELEMENTS

1. No use shall be made of the Common Elements except as permitted by the Board of Trustees.
2. There shall be no obstruction of the Common Elements nor shall anything be stored in the Common Elements without the prior consent of the Board of Trustees.
3. Nothing shall be done or kept in the Common Elements which will increase the rate of insurance of the Condominium, or contents thereof, applicable for residential and commercial use, without the prior written consent of the Board of Trustees. No Unit Owner shall permit anything to be done, or kept in the Common Elements which will result in the cancellation of insurance on the Condominium, or contents thereof, or which would be in violation of any law. No waste shall be committed in the Common Elements.
4. Unit Owners shall not cause or permit anything to be placed on the outside walls or doors of the Condominium, and no sign, awning, canopy, shutter, or radio or television antenna shall be affixed to or placed upon the exterior walls or doors, roofs, or any part thereof, or exposed on or at any window, except in the places provided for and as a direct adjunct to the commercial use of a unit, without the prior consent of the Board of Trustees.
5. Residential Unit Owners will not be allowed to put their names on any Building or Common Element except in the proper places in or near the mailboxes provided for the use of the Unit occupied by the Unit Owners respectively.
6. No offensive activity shall be carried on in the Common Elements, nor shall anything be done therein, either willfully or negligently, which may be or become an annoyance or nuisance to the other Unit Owners or occupants. A number of Units are Commercial Units; the carrying on of a normal commercial activity will not constitute an offensive activity.
7. No clothes, clotheslines, sheets, blankets, laundry, or any kind of other articles shall be hung out of a Unit or exposed on any part of the Common Elements. The Common Elements shall be kept free and clear of all rubbish, debris, and other unsightly materials.
8. Except in areas designated by the Board of Trustees, there shall be no parking of motor vehicles, playing, lounging, or parking of baby carriages or playpens, bicycles, wagons, toys, benches or chairs, on any part of the Common Elements, except that roads, parking areas and driveways may be used for their normal and intended purposes.
9. "For Sale", "For Rent", "For Lease" signs or other window displays or advertising shall not be maintained or permitted in any Residential part of the Condominium or in any Unit therein.

10. Nothing shall be altered or constructed in or removed from the Common Elements except upon the written consent of the Board of Trustees.

11. The Common Elements shall not be decorated or furnished by any Unit Owner in any manner without the prior written consent of the Board of Trustees.

12. The Board of Trustees shall maintain the Common Elements and all areas outside the boundaries of the Units which are granted exclusively to a Unit Owner.

13. Except for air conditioning units, nothing shall be hung from the windows or placed upon the window sills. The foregoing shall not, however, interfere with the right of Unit Owners to select draperies and curtains for their Units. Rugs or mops shall not be shaken or hung from or on any of the windows or doors. Garbage cans shall not be placed outside of any Unit. Garbage and refuse from the Units shall be disposed of only at such times and in such manner as the Board of Trustees may direct.

14. No washing or repairing of automobiles shall take place within the Condominium, nor shall driveways be used for any purpose other than to park motor vehicles and bicycles, without the prior written consent of the Board of Trustees. No Unit Owner shall utilize more than two (2) parking spaces within the Condominium overnight, except on a space available basis, without the prior written consent of the Board of Trustees.

15. If any key or keys are entrusted by a Unit Owner or occupant or by any member of his family, or by his agent, servant, employee, licensee, lessee or visitor, to an employee of the Board of Trustees, whether for such Unit or an automobile, trunk or other item of personal property, the acceptance of the key shall be at the sole risk of such Unit Owner or occupant, and the Board of Trustees shall not be liable for injury, loss or damage of any nature whatsoever directly or indirectly resulting therefrom or connected therewith.

16. The use of the Common Elements, by Unit Owners, as well as the safety and maintenance of all personal property of the Unit Owners kept in such areas and in the Units themselves, shall be the responsibility and at the sole risk of the respective Unit Owners, and neither the Trustees, nor their respective agents, servants, employees, successors or assigns, shall bear any responsibility therefor.

17. Each Unit Owner assumes responsibility for his own safety and that of his family, guests, agents, servants, employees, licensees, lessees, and tenants.

18. Dumpsters or other refuse collection facilities shall be sited on the common areas in locations approved by the Trustees. Units 1 through 6 shall have such a facility arranged by the Board of Managers, the cost being treated as a Residential Beneficial Interest cost (see Exhibit 3A of the Master Deed). Each commercial unit must arrange for its refuse removal either separate from other commercial units or involuntary co-operation.
