

Title V Agreement

The following agreement will be added to the By-Laws as an adendum. Vote taken on October 14, 1995, over 66 2/3 % approved. The owners of each unit located in each building being served by each septic tank will split the cost of Title V inspections equally, except in the case of a sale/transfer. In the case of a sale/transfer the cost will be the sole responsibility of the owner selling or transferring a unit. The inspection shall include inspection, excavation, pumping and lawn restoration. All inspectors must be state certified and all excavators must carry liability insurance enough to cover any possible damage to common area.
