BY-LAWS OF VILLAGE GREENE CONDOMINIUM ASSOCIATION

ARTICLE I
Plan of Unit Ownership

Section 1. Unit Ownership. These By-Laws have been enacted by and for the organization of unit owners of the property located at Ware Road, Belchertown, Hampshire County, Massachusetts

(hereinafter called the "Property") which is more particularly described in the Master Deed dated December 30, 1986, recorded in Hampshire County Registry of Deeds herewith, and which has been submitted to the provisions of Chapter 183A of Massachusetts General Laws by RICHARD F. GREENE and DEBRA A. GREENE (hereinafter called the "Declarants"). The Condominium thereby created shall be known as the The Village Greene Condominiums (hereinafter called the "Condominium") and the organization created by these By-Laws shall be known as the Village Greene Condominium Association (the "Association").

Section 2. Applicability of By-Laws. The provisions of these By-Laws are applicable to the Property of the Condominium and to use and occupancy thereof. The term "Property" as used herein shall include the land, the buildings ("Buildings") and all other improvements thereon, including the units ("Units") and common areas and facilities ("Common Elements") owned in fee simple absolute, and all easements, rights and appurtenances belonging thereto, and all other property, personal or mixed, intended for use in connection therewith, all of which have been submitted to the provisions of said Chapter 183A of Massachusetts General Laws.

Section 3. Application. All present and future owners, mortgagees, lessees and occupants of Units and their licensees and employees, and any other persons who may use the facilities of the Property in any manner are subject to these By-Laws and the Master Deed, as well as any Rules and Regulations which may be adopted by the Board, and all covenants, agreements, restrictions, easements and declarations of record ("title conditions"). The acceptance of a deed or conveyance, lease, or the act of occupancy of a Unit shall constitute an agreement that these By-Laws, all Rules and Regulations, the provisions of the Master Deed, as they may be amended from time to time, and the title conditions are accepted, ratified, and will be complied with.

Section 4. Office. The office of the Condominium and of the Board shall be located at 40 Ware Road, Belchertown, Massachusetts, or at such other location as the Trustees may from time to time determine.

ARTICLE II

Each of the Trustee positions shall be the subject of a separate vote at said annual meeting. At the end of their respective terms, Trustees shall be eligible for re-election and they or their elected successors shall serve full three year terms.

Section 3. Powers and Duties. The Board shall have the powers and duties necessary for the administration of the affairs of the Condominium and may do all such acts and things except as by law or by the Master Deed or by these By-Laws may not be delegated to the Board of Trustees by the Unit Owners. The Board shall have the power to levy fines against the Unit Owners for violations of reasonable Rules and Regulations established to govern the conduct of the Unit Owners in the Common Elements. No fine may be levied for more than \$20.00 for any one violation but for each day a violation continues after notice it shall be considered a separate violation.

Collection of fines may be enforced against the Unit Owner or Unit Owners involved as if the fines were common charges owed by the particular Unit Owner or Unit Owners. In the case of persistent violation of the Rules and Regulations by a Unit Owner, the Board shall have the power to require such Unit Owner to post a bond to secure adherence to the Rules and Regulations.

(l) Regulation of parking and the use of parking spaces.

The first Board has been designated by the Declarant and consists of three Trustees designated to serve until the first annual meeting of Unit Owners, held pursuant to Article II, Section 2 of the By-Laws, at which time all Declarant-appointed Trustees shall resign and be replaced by Trustees elected by the Unit Owners, including the Declarant as owner of unsold Units, if any. Any and all of said Trustees shall be subject to replacement, in the event of resignation or death, in the manner set forth in Section 7 of this Article.

Section 6. Removal. Trustees, except the members of the first Board of Trustees, may be removed for cause by an affirmative vote of a majority of the Unit Owners. No Trustee shall continue to serve on the Board if, during his term of office, he shall cease to be a resident Unit Owner, except for the declarants as indicated supra.

Section 7. Vacancies. Vacancies in the Board caused by any reason other than the removal of a member thereof by a vote of the Unit Owners shall be filled by vote of a majority of the remaining members at a special meeting of the Board held for that purpose promptly after the occurrence of any such vacancy, even though the members present at such meeting shall be less than a quorum, and each person so elected shall be a member of the Board for the remainder of the term of the member. Notwithstanding the foregoing, however, vacancies on the Board in positions originally designated by the Declarant shall be filled by designation by the Declarant until the first annual meeting as set forth in Section 2 of Article II.

Section 8. Organization Meeting. The first meeting of the members of the Board following the annual meeting of the Unit Owners shall be held within ten (10) days thereafter, at such time and place as shall be fixed by the Board in order legally to constitute such meeting, providing a majority of the whole Board shall be present at said election meeting.

Section 9. Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the members of the Board, but at least two such meetings shall be held during each fiscal year. Notice of regular meetings of the Board shall be given to each member of the Board, by mail or telegraph, at least five(5) business days prior to the day named for such meeting.

Section 10. Special Meetings. Special meetings of the Board may be called by the President on two (2) business days' notice to each member of the Board, given by mail or telegraph, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board shall also be called by the President or Clerk in like manner and on like notice on the written request of at least two (2) members of the Board.

Section 11. Waiver of Notice. Any member of the Board may at any time waive notice of any meeting of the Board in writing and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member of the Board at any meeting of the Board shall constitute a waiver of notice by him of the time and place thereof. If all the members of the Board are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

Section 12. Quorum of Board. At all meetings of the Board, a majority of the members thereof shall constitute a quorum for the transaction of business, and the votes of a majority of the members of the Board present at a meeting at which a quorum is present shall constitute the decision of the Board. If at any meeting of the Board there shall be less than a quorum present, a majority of those present may adjourn the meeting from time to time. At any such adjourned meeting at which a quorum is present, any business which might have been enacted at the meeting originally called, may be transacted without further notice.

Section 13. Action by Unanimous Consent. Any action required or permitted to be taken at any regular or special meeting of the Board may be taken without a meeting if all the Trustees consent to the action in writing and the written consents are filed with the Clerk of the Board. Such consents shall be treated for all purposes as a vote at a meeting.

Section 14. Fidelity Bonds. The Board shall attempt to obtain adequate fidelity bonds for all officers and employees of the Condominium handling or responsible for Condominium funds. The

premium on such bonds shall constitute a common expense.

Section 15. Compensation. No member of the Board shall receive any compensation from the Condominium for acting as such.

Section 16. Liability of the Board of Trustees. The trustees shall not be liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for their own individual willfull misconduct or bad faith, and the Board may secure insurance protecting the Trustees against such liability. The Unit Owners shall indemnify and hold harmless each of the Trustees against all contractual liability to others arising out of contracts made by the Board on behalf of the Condominium unless any such contract shall have been made in bad faith or contrary to the provisions of the Master Deed or of these By-Laws. It is intended that the Trustees shall have no personal liability with respect to any contract made by them on behalf of the Condominium. It is understood and permissible for the original Board, who are members of or employed by the Declarant, to contract with the Declarant and affiliated corporations without fear of being charged with self-dealing. It is also intended that the liability of any Unit Owner arising out of any contract made by the Board or court of the aforesaid indemnity in favor of the Trustees shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the interests of all the Unit owners in the Common Elements.

Every agreement made by the Board or by the managing agent, or by the manager on behalf of the Condominium shall provide that the Trustees, or the managing agent, as the case may be, are acting only as agent for the Units Owners and shall have no personal liability thereunder (except as Unit Owners), and that each Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his interest in the Common Elements bears to the interest of all Unit Owners in the Common Elements.

Section 17. Certification Re: Status of Board. Notwithstanding the provisions of Article IV, Section 8, any instrument signed by a majority of the Board named in the Master Deed or a majority at any time of the members of the Board as they appear of record, and duly attested as the act of the Condominium, may be relied upon as establishing conclusively that such instrument was the free act of the Condominium and no person shall be bound to ascertain or inquire further as to the persons who are then members of the Board nor be affected by any notice, implied or actual, relative thereto, other than a certificate, signed by the Clerk of the Association and recorded with Hampshire County Registry of Deeds and such recorded certificate shall be conclusive evidence of the membership of the Board and of any changes therein.

Section 1. Determination of Common Expenses and Fixing of Common Charges. The Board shall from time to time, and at least annually prepare a budget for the Condominium, determine the amount of the common charges payable by the Unit Owners to meet the common expenses of the Condominium and allocate and assess such common charges among the Unit owners according to their respective common interest. The common expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Board pursuant to the provisions of Section 6 of this Article VI. The common expenses may also include such amounts as the Board may deem proper for the operation and maintenance of the Property, including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in the common expenses for any prior year. The common expenses may also include such amounts as may be required for the purchase or lease by the Board, on behalf of all Unit Owners, of any Unit whose owner has elected to sell or lease such Unit or of any Unit which is to be sold at a foreclosure or other judicial sale.

The Board may also levy a special or extraordinary assessment against the units in the event that the budget for any year is insufficient to pay any expenses or capital costs of the Association. Any such special or extraordinary assessment shall be payable upon such terms and conditions as the Board may deem necessary.

The Board shall advise all Unit Owners, promptly in writing, of the amount of the common charges payable by each of them, respectively, as determined by the Board, as aforesaid and shall furnish copies of each budget on which such common charges are based, to all Unit Owners and to their mortgagees. Declarant, but will be required to pay common charges in full on any occupied Unit owned by them.

No Unit owner shall be liable for the payment of any part of the common charges assessed against his Unit subsequent to a sale, transfer or other conveyance by him of such Unit, together with the Appurtenant Interest, as defined in the Master Deed. In addition, any Unit Owner may, subject to the terms and conditions specified in these By-Laws, provided that his Unit is free and clear of liens and encumbrances other than the statutory lien for unpaid common charges, convey his Unit, together with the Appurtenant Interests to the Board, and in such event be exempt from common charges thereafter assessed. A purchaser of a Unit shall be liable for the payment of common charges assessed and unpaid against such Unit prior to the acquisition by him of such Unit, except that a mortgagee or other purchaser of a Unit at a foreclosure sale of such a Unit shall not be liable for and such Unit shall not be subject to, a lien for the payment of common charges assessed prior to the foreclosure sale.

Section 3, Collection of Assesments. The Board shall take prompt action to collect any common charge due from any Unit Owner which remains unpaid after the due date thereof. In the event of default by any Unit Owner in paying to the Board the Common Charges as determined by the Board, such Unit owner shall be obligated to pay interest at the prime rate of interest (adjusted quarterly) then used by the bank in Hampshire County designated by the Board from time to time on such common charges incurred by the Board in any proceeding brought to collect such unpaid common charges. The Board shall have the right and duty to attempt to recover such common charges, together with interest thereon, and the expenses of the proceeding, including attorneys' fees, in an action to recover the same brought against such Unit Owner, or by foreclosure of the lien on such Unit as provided in Section 6 of Chapter 183A of Massachusetts General Laws.

Section 4. Foreclosure of Liens for Unpaid Common Charges. In any action brought by the board to foreclose a lien on a Unit because of unpaid common charges, the Unit owner shall be required to pay reasonable rental for the use of his Unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board, acting on behalf of all Unit Owners, shall have the power to purchase such Unit at the foreclosure sale and to acquire, hold lease, mortgage, convey or otherwise deal with the same but not to vote the votes appurtenant to said Unit. A suit to recover a money judgement for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same.

Section 5. Statement of Common Charges. The Board shall promptly provide any Unit owner so requesting the same in writing, with a written statement of all unpaid common charges due from such Unit owner.

Section 6. Insurance

Section 6.1. Coverage. The Board shall maintain, to the extent available, master policies of insurance of the following kinds, insuring the interests of the Association, the Trustees, all Unit Owners and their mortgagees as their interests may appear.

A. Casualty or physical damage insurance on the buildings and all other insurable improvements forming part of the Condominium (including all of the Units but excluding furniture, furnishings and other personal property of the Unit Owners therein), now existing or as they may from time to time be increased by amendment to the Master Deed, together with the service machinery, apparatus, equipment and installations located in the Condominium and existing for the provision of central services or for common use, in an amount not less than 100% of their full replacement value (exclusive of foundations) as determined by the Board in its judgement, against (1) loss or damage by fire and other hazards covered by the standard extended coverage endorsement, together with coverage for the payment of common expenses attributable to damaged Units during the period of reconstruction, and (2) such other hazards and risks as the Board from time to time in its discretion shall determine to be appropriate, including but not limited to vandalism, malicious mischief, windstorm and water damage, boiler, furnace and machinery explosion or physical damage insurance. Such policy or policies shall provide (to the extent such clauses are so obtainable) (1) that such policies may not be cancelled or substantially modified without at least ten days prior written notice to all the insureds including each unit mortgagee and (2) that the coverage thereof shall be delivered by the Board to Unit Owners and their mortgagees upon request at least ten days prior to the expiration of their current policies.

B. Comprehensive public liability insurance in such amounts and forms as shall be determined by the Board, covering the Association, the Board, the Unit Owners and any manager or managing agent of the Condominium, with limits of not less than a single limit of \$1,000,000 for claims for bodily injury or property damage arising out of one occurrence, a limit of \$50,000 for each occurrence for water damage and legal liability endorsement to cover liability of any insured to other insureds.

C. Workman's compensation and employer's liability insurance covering any employees of the Association.

The Board may, in its sole discretion, purchase such other insurance as they shall determine.

Section 6.2. Payment to Board in Case of Loss. Such master policies shall provide that all casualty loss proceeds thereunder shall be paid to the Board of Trustees as insurance trustee under these By-Laws. The duty of the Board as such insurance trustee shall be to receive such proceeds as are paid and to hold, use and disburse the same for the purposes stated in this Section and Section 7. If repair or restoration of the damaged portions of the

Condominium is to be made, all insurance loss proceeds shall be held in shares for the Association and the owners of damaged Units in

proportion to the respective costs of repair or restoration of the common areas and facilities and damaged Units, with each share to be disbursed to defray the respective costs of repair or restoration with any excess of any excess of such share of proceeds above such costs of repair or restoration to be paid to the Association or Unit Owners for whom held upon completion of repair or restoration; but if pursuant to Section 7, restoration or repair is not to be made, all insurance loss proceeds shall be held as common funds of the Association and applied for the benefit of Unit Owners in proportion to their beneficial interests in the Association if the Condominium is totally destroyed, and, in the event of a partial destruction, after payment for such restoration of the common areas and facilities as the Board may determine, to those Unit Owners who have suffered damage in proportion to the damage suffered by them. Such application for the benefit of Unit Owners shall include payment directly to a Unit Owners' mortgagee if the mortgagee so requires.

Section 6.3. Other Provisions. In addition to the coverage and provisions set forth in Section 6.1, the Trustees shall, in their discretion, see that all policies of physical damage insurance: (1) shall contain waivers of subrogation by the insurer as to claims against the Condominium, the Board, their employees, Unit Owners and members of the family of any Unit Member who reside with said Unit Owner, except in cases of arson and fraud; (2) shall contain a waiver of defense of invalidity on account of the conduct of any of the Unit Owners over which the Board has "no control"; (3) shall provide that in no event shall the insurance under said policies be brought into contribution with insurance purchased individually by Unit Owners or their mortgagees; and (4) shall exclude policies obtained by individual Unit Owners from consideration under any "no other insurance" clause. The Board may include a deductible provision, up to \$5,000.00, in their own discretion and in such greater amounts as the Unit Owners may authorize.

Section 6.4. Owner's Insurance and Responsibility for Increase in Premiums of Master Policy. Each Unit Owner may obtain additional insurance for his or her own benefit at his or her own expense. No such policy shall be written so as to decrease the coverage under any of the policies obtained by the Board pursuant to Section 6.1 above, and each Unit Owner hereby assigns to the Board the proceeds of any such policy to the extent that any such policy does in fact decrease such coverage. Copies of all such policies (except policies covering only personal property of individual Unit Owners) shall be filed with the Board.

Section 6.5. Notice of Owner's Improvements. Each Unit Owner shall notify the Board of all improvements to his or her Unit (except personal property other than fixtures) which exceed a total value of One Thousand Dollars (\$1,000.00) within twenty(20) days after the commencement of construction of such improvements and upon receipt of such notice, the Board shall notify the insurer under any policy obtained pursuant to Section 6 hereof of any such improvements.

Section 6.6. Insurance a Common Expense. The cost of insurance purchased pursuant to Section 6 shall be a common expense assessable and payable as provided in Sections 1 through 4 of this Article VI.

Section 7. Repair or Reconstruction After Fire or Other Casualty. In the event of damage to or destruction of the Buildings (or any one of them) as a result of fire or other casualty, the Board shall arrange for the prompt repair and restoration of the Buildings (but not including any furniture, furnishings, or other personal property supplied by the Unit Owners), and the Board shall disburse the proceeds of all insurance policies to the contractors engaged in such repair or restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a common expense and the Board may assess all the Unit Owners for such deficit and for a completion bond for such deficit as part of the common charges.

If there shall have been repair or restoration pursuant to the first paragraph of this Section, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration, then the excess of such insurance proceeds, if any shall be added to the Condominium's reserve fund or, at the option of the Board, divided among all the Unit Owners in proportion to their respective common interests after first paying out of the share due each Unit Owner such amounts as may be required to reduce unpaid common area charges due on such Unit.

Notwithstanding the foregoing if as a result of fire or other casualty the loss exceeds ten (10%) percent of the value of the Condominium prior to the casualty, and

(1) If seventy-five (75%) percent of the Unit Owners do not agree within 120 days after the date of the casualty to proceed with repair or restoration, the Condominium, including units, shall be subject to partition at the suit of any Unit Owner. Such suit shall be subject to dismissal at any time prior to entry of an order to sell if an appropriate agreement to rebuild is filed. The net proceeds of the partition sale together with any common funds shall be divided in proportion to the Unit Owners' respective undivided ownership in the Common Elements. Upon such sale the Condominium shall be deemed removed from the provisions of Chapter 183A of the Massachusetts General Laws.

(2) If seventy-five (75%) percent of the Unit Owners agree to proceed with the necessary repair or restoration, the cost of the building of the Condominium, in excess of any available common funds including the proceeds of any insurance, shall be a common expense, provided, however, that if such excess costs exceed ten (10%) percent of the value of the Condominium prior to the casualty, any Unit Owner who did not agree may apply to the Superior Court of Hampshire County on such notice to the Board as the Court shall direct, for an order directing the purchase of his Unit by the Board at the fair market value thereof as approved by the Court. The cost of any such purchase shall be a common expense.

Section 8. Maintenance and Repairs.

(a) All maintenance and replacement of and repairs to any Unit, whether structural or non-structural, ordinary or extraordinary, (other than to the Common Elements contained

therein), and to the doors and windows, electrical, heating and ventilating, and air conditioning fixtures within the Unit shall be made at the Unit Owners expense, excepting as otherwise specifically provided herein.

(b) All maintenance, repairs and replacements to the Common Elements as defined in the Master Deed, the painting and decorating of the exterior doors and window sashes shall be made by the Board and shall be charged to all the Unit Owners as a common expense, excepting to the extent that the same are necessitated by the negligence, misuse or neglect of a Unit Owner, in which case such expense shall be charged to such Unit Owner.

Section 9. Restrictions on Use of Units. In order to provide for congenial occupancy of the Property and for the protection of the values of the Units:

(a) The use of the Property shall be restricted to housing for single families or for not more than 4 individuals unrelated by blood or marriage in each Unit, and the common facilities relating thereto.

(b) The Common Elements shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.

(c) No nuisance shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.

(d) No immoral, improper, offensive, or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed and violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property, shall be eliminated, by and at the sole expense of the Unit owners or the Board, whichever shall have the obligation to maintain or repair such portion of the Property.

(e) In the Event that any Unit is Leased:

(1) Tenant shall be bound by the terms of the Master Deed, By-Laws and Rules and Regulations of Village Greene Condominium, including the portions thereof relating to fines for violations of the said Rules and Regulations:

(2) Tenant shall upon notice from the Board in writing, pay the Common Area Charges for his/her unit directly to the Board and may reduce the rental payment to Landlord accordingly;

(3) Non-payment of Common Area Charges or failure to comply with the Condominium Documents shall be grounds for eviction by the Board but shall in no way vitiate or diminish Landlord/Unit Owner's obligation to pay said Common Area Charges; and

(4) The Tenant may not assign or sublet without the written consent of the Board of Trustees.

(f) Notwithstanding the preceeding restrictions, the Declarant may at any time maintain one or more Units owned by it to be used as a sales office and/or a model apartment.

Section 10. Improvements.

(a) If fifty (50%) percent or more but less than

seventy-five (75%) percent of the Unit Owners agree to make an improvement to the Common Elements, the cost of such improvement shall be borne solely by the Unit Owners so agreeing.

(b) Seventy-Five (75%) percent or more of the Unit Owners may agree to make an improvement to the Common Elements and assess the cost thereof to all Unit Owners as a common expense, but if such improvements shall cost in excess of ten (10%) percent of the then value of the Condominium, any Unit Owner not so agreeing may apply to the Hampshire County Superior Court, on such notice to the Board as the court shall direct, for an order directing the purchase of his unit by the Board at fair market value thereof as approved by court. The cost of any such purchase shall be a common expense.

Section 11. Additions, Alterations or Improvements by Unit Owners. No Unit Owner shall make any addition, alteration, or improvement in or to his Unit, without the prior written consent thereto of the Board. The Board shall have obligation to answer any written request by a Unit owner for approval of a proposed addition, alteration or improvement in such Unit Owner's Unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board to the proposed addition, alteration or improvement. No Unit Owner shall make an application to any department of the Town of Belchertown or to any other governmental authority for a permit to make an addition, alteration or improvement in or to any Unit incurring any liability on the part of the Board nor will a Unit Owner create Board liability to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. The provisions of this Section 13 shall not apply to Units owned by the Declarant until such Units shall have been initially sold by the Declarant.

Section 12. Use of Common Elements and Facilities. A Unit Owner shall not place or cause to be placed in the Common Elements other than a deck, porch, or patio to which such Unit Owner has direct and exclusive access, any furniture, packages or objects of any kind. The driveways and walks shall be used for no purpose other than of a normal transit over them.

Section 13. Right of Access. A Unit Owner shall grant a right of access to his Unit to the manager and/or managing agent, for the purpose of making inspections or for the purpose of correcting any conditions originating in his Unit or elsewhere in the Building in which the Unit is located, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In case of an emergency such right of entry shall be immediate, whether the Unit Owner is present at the time or not. In the event of the exercise of the right of access provided in Section 13, any costs for repairs shall be borne in accordance with the provisions of Section 8 of this Article.

Section 14. Rules and Regulations. Rules and Regulations concerning the use of the Units and the Common Elements may be promulgated and amended by the Board. Copies of such Rules and

Regulations shall be furnished by the Board to each Unit owner prior to the time when the same shall become effective. At a special meeting of the Unit Owners called for such purpose, the Unit owners may, by a vote of sixty-six and two-thirds (66 2/3%) percent of the votes as defined in Article III, Section 6, repeal any such Rule or Regulation enacted by the Board.

Section 15. Electric, Gas, Water, and Utilities. Utilities including but not limited to Bottled Gas Service will be designated by the Trustees of the Condominium and electricity shall be supplied by public utility companies. Each Unit Owner shall be required to pay the bills for said utilities consumed or used by his or her Unit. The utilities serving the Common Elements shall be separately metered, and the Board shall pay all bills for utilities consumed in such portions of the Common Elements, as a common expense.

ARTICLE VII

Mortgages

Section 1. Notice to Board. A Unit Owner who mortgages his Unit shall notify the Board of the name and address of his mortgagee and shall file a conformed copy of the note and mortgage with the Board; the Board shall maintain such information in a book entitled "Mortgages of Units".

Section 2. Notice of Unpaid Common Charges. The Board, whenever so requested in writing by a mortgagee of a Unit, shall promptly report any then unpaid common charges due from, or other default by, the owner of the mortgaged Unit.

Section 3. Notice of Default. The Board, when giving notice to a Unit owner of a default in paying common charges or other default, shall send a copy of such notice to each holder of a mortgage covering such Unit whose name and address has hertofore been furnished to the Board.

Section 4. Examination of Books. Each Unit Owner and each mortgagee of a Unit shall be permitted to examine the books of account of the Condominium at reasonable times, on business days.

ARTICLE VIII

Mortgages of Units

Section 1. No Severance of Ownership. No Unit Owner shall execute any deed mortgage, or other instrument conveying or mortgaging title to his Unit without including therein the Appurtenant Interest, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, or other instrument purporting to affect one or more of such interests, without including all such interests, shall be deemed and taken to include the interest or interests, so omitted, even though the latter shall not be expressly mentioned or described therein. No part of the Appurtenant Interests of any Unit may be sold, transferred or otherwise disposed of, except as part of sale, transfer or other disposition of the Unit to which such interests

are appurtenant, or as part of a sale, transfer or other disposition of such part of the Appurtenant interest of all Units.

Section 2. Payment of Assessments and Release of Liens. No Unit Owner shall be permitted to convey, mortgage, pledge, hypothecate, sell or lease his Unit unless and until the charges therefore assessed by the Board against his Unit have been paid and until he shall have satisfied all unpaid liens against such Unit. Upon satisfaction that all such indebtedness has been discharged, any two Trustees may, upon the advice of the Treasurer of the Board, execute a release of the Unit from the lien arising under Chapter 183A, Section 6, which release may be recorded.

ARTICLE IX

Condemnation

Section 1. Condemnation. If more than ten (10%) percent of the Condominium is taken under the power of eminent domain, the taking shall be treated as a "casualty loss", and the provisions of Section 17 of Chapter 183A of the Massachusetts General Laws shall apply. Where one or more Units have been substantially altered or rendered uninhabitable as a result of a partial taking, and the Unit Owners vote to restore and continue the Condominium pursuant to provisions of Section 17 of Said Chapter 183A, the Board shall have the authority to acquire the remaining portions of such Units for such price as the Board shall determine, provided that any Unit Owner of such remaining portion who does not agree with such determination may apply to the Superior Court of Hampshire County on such notice to the Board as the Court shall direct for an order directing the purchase of such remaining portion at the fair market value thereof as approved by the Court. Where as a result of a partial taking any Unit is decreased by partial taking, then the Board may make such provision for realignment of the percentage interests in the Common Elements as shall be just and equitable.

In the event of a total or partial taking under the powers of eminent domain, the Unit Owners shall be represented by the Condominium acting through the Board. In the event of a partial taking, the award shall be allocated to the respective Unit Owners according to their undivided portions of the award which are attributable to direct or consequential damage suffered by particular Units, which shall be payable to the owners of such units or their mortgagees, as their interests may appear. In the case of a total taking of all Units and the Common Elements, the entire award shall be payable to the Board to be distributed to the Unit Owners in accordance with their respective percentage interests in the Common Elements.

ARTICLE X

Records

Section 1. Records and Audits. The Board shall keep detailed records of the actions of the Board, minutes of the meetings of the Board, minutes of the meetings of the Unit Owners, and financial records and books of account of the Condominium, including a chronological listing of receipts and expenditures, as well as a separate account for each Unit, which, among other things, shall contain the amount of each assessment of common charges against such Unit, the date when, due, the amounts paid thereon, and the balance remaining unpaid. An annual report of the receipts and expenditures of the Condominium, prepared by an independent accountant, shall be rendered by the Board to all Unit owners promptly after the end of each fiscal year. Copies of the Master Deed, these By-Laws, Rules and Regulations and floor plans of the Buildings and Units, as the same may be amended from time to time, shall be maintained at the office of the Board and be available for inspection by Unit Owners, their mortgagees and their authorized agents during reasonable business hours.

ARTICLE XI

Section 2. Captions. The captions herein are inserted only as a matter of convenience and reference, and in no way define, limit or describe the scope of these By-Laws, or the intent of any provision thereof.

ARTICLE XII

Miscellaneous

Section 1. Amendments to By-Laws. These By-Laws may be modified or amended by 66 2/3% (or if such modification or amendment affects a provision then requiring a larger percentage, such larger percentage) of the votes, as that term is defined in Article III, Section 6, of all Unit Owners at a meeting of Unit Owners duly held for such purpose.

For as long as Declarant remains the owner of any Unit in any Phase of the Condominium, these By-Laws may not be amended so as to adversely affect Declarant without Declarant's consent.
