

Master Deed Amendment  
Book 2916 - Page 133

Vote taken on November 18, 1995, over 66 2/3 % approval, no Banks objected after being notified.

No part of the premises, including but not limited to the parking spaces and driveways, shall be used for parking or storing of trucks, other commercial vehicles, boats, campers, trailers, or other vehicles, items or goods. Parking will be provided in a designated area.

Amended Version Allows Commercial Vehicles With Restrictions:  
No part of the premises, including but not limited to the parking spaces and driveways, shall be used for parking or storing of boats, campers, trailers, or other vehicles, items or goods, though upon submittal of a written request to the board, permission may be granted for temporary parking due to special circumstances, as long as there is sufficient space in a parking area.

Commercial automobiles, pick up trucks and vans are permitted if the vehicle is no more than 1 ton with a gross vehicle weight of 9200 lbs.
